## **I wanna be there**

**Pauline McWilliams. Jan 2014**

(around this time of year I start  
thinking about Unicorn Voice camp)

(solo)

I wanna see the sunrise  
I wanna smell woodsmoke  
I wanna hear singing  
I wanna be there

*(build up improvised harmonies and clap rhythm)*

I wanna see the sunrise  
I wanna smell woodsmoke  
I wanna hear singing  
I wanna be there

I wanna see the stars shoot  
I wanna feel earth beneath my feet  
I wanna be singing  
I wanna be there

I wanna see the love shine  
I wanna feel your hand in mine  
I wanna be singing  
I wanna be there

I wanna see the sunrise  
I wanna smell woodsmoke  
I wanna be singing  
I wanna be there

*(Repeat)*
