PROFESSIONAL DEVELOPMENT SELF -EVALUATION

These questions are intended as prompts to help you evaluate and plan your own professional development, with reference to the Code of Practice.

1. How has my understanding of good practice developed in the past 12 months?
2. What have I done to further my own professional development in the past 12 months?
In what ways have I developed?
3. What areas of professional development do I need to focus on in the coming 12 months?
4. How am I going to meet my professional development needs in the next 12 months?
(It is a good idea to set yourself SMART objectives that are: specific, measurable, appropriate, reviewable, time-bound.)
