Hap-py the wo-man and hap-py she a-lone She who can call to-day her own her own She who se-
En-joy the mom-ent and this smil-ing hour Es-cape from what de-lays or holds you back Take time to

- cure with - in can say To - morr-ow do your worst for I have lived to - day Be fair or
wonder and feast on na-ture's shower Con - tent your-self with what you have and not with what you lack

foul or rain or shine The joys I have in spite of fate are mine Not heav'n it - self up - on the

past has power What has been has been and this is now my hour
